Who can volunteer during an Activity Night?

We accept volunteers of all ages during our Activity Nights. All volunteers must be scheduled in advance. What do volunteers do at during Activity Nights?

Activity Night volunteers work in the food bank warehouse and pantry under the supervision of a food bank employee. Food Bank volunteers help sort cans, restock the pantry, assemble kits, clean, and other tasks as needed. For your safety, we ask that you wear close-toed shoes. Work gloves are optional.
