

Meal Donation Guidelines

Circles Utah Valley is an initiative whose aim is to assist local families in getting out of poverty and becoming self-reliant. Our participants meet weekly with community volunteers to enjoy a meal together, review goals, and strengthen relationships. We are in need of meal donations and you can help make a difference in the local community.

Why meal donations matter:

Meal donations allow long-term and supportive relationships to be built that are necessary to moving families out of poverty. Also, your donation guarantees one balanced meal for each family to count on during the week. Providing a meal relieves financial and time constraints to Circles' participants.
